Professional Process Controller Benefits

Professional Process Controller members in good standing will enjoy the following benefits:

Your status in the water sector

1. You receive a Professional Membership certificate that attests to the fact that you were judged by your peers, and that you satisfied the minimum standards required to be a Professional Process Controller and that you will abide by the Code of Conduct for Process Controllers.
2. You enjoy the prestige of Professional Membership to a Professional Association where membership is evaluated by a high level Technical Assessment Panel.
3. You are able to use the designation - Pr. PC Water - in all your signatures and stationery.
4. Your name appears in the annual WISA member directory, if you so wish.
5. You have voting rights at the WISA AGM and WISA elections for council members.
6. Promoting the image of process controllers and enhancing their importance within the water sector through Process Controller Divisional activities as well as WISA events.
7. Improving accountability of the process controller as an individual within the context of drinking water and/or wastewater treatment process management; prioritising compliance with set standards and regulatory limits through the Code of Conduct developed for Professional Process Controllers.

Advertising and promoting yourself or your business

8. You may advertise on the WISA website according to an advertising rate card.
9. You may place your CV on the WISA web site for free.
