

In memory of Chris Buckley

It is with deepest sorrow that we inform you that our dearest colleague and friend passed away peacefully on the 27th May 2021 after a hard and brave fight against cancer. Chris touched so many people's lives and words cannot express how much he will be missed.

As the mentoring of young people was a passion of Chris's, his family would like to create a legacy in Chris's name to support the upliftment and capacity building of young community members through an internship-type programme in the water and sanitation field.

In lieu of flowers, or if you simply would like to show your support, the family has established a fund that you can donate to, in memory of Chris.

The Chris Buckley Water and Sanitation Internship
